NextArts prides itself on its commitment to relentlessly pursue perfection - in doing so achieving excellence. We are event specialists and innovators in the special events industry.

The NextArts production team works in conjunction with our Rental Services division to provide creative and production support for live events. NextArts works with clients to develop creative concepts, then executes these ideas.

We are constantly innovating. To view our newest product additions, please visit us on the web at [www.NextArts.org](http://www.NextArts.org). Attached is our Spring-Summer 2012 inventory/price list, use this as a benchmark for your event needs and be sure to speak with your event specialist about discounts or special price packaging that may apply.

We are anxious to provide superior services and products to make any event a success whether it is large or small. Call today to schedule a personalized appointment. Let the NextArts production team transform any idea into a reality.
